(Rs. in crores)

1998-99	1997-98	1996-97
14713.02	14207.60	12464.94

Total profit/loss in Coal India Limited for the last three years are given as under:

(Rs. in crores)

1998-99	1997-98	1996-97
1451.79	1998-99	1 137.42

Steps for Improving Production of HCL

704. SHRI SHIBU SOREN: Will the Minister of MINES AND MINERALS be pleased to stale:

(a) whether it is a fact that the Hindustan Copper Ltd. (HCL) has failed to achieve its target growth of metal concentrates for the period January to November, 1999 by four per cent;

(b) if so, the details thereof;

(c) whether it is also a fact that it was due to the liquidity crunch; and

(d) what action is being taken/has been taken to improve the production of HCL?

THE MINISTER OF STATE IN THE MINISTRY OF MINES AND MINERALS (DR. (SHRIMATI) RITA VERMA): (a) to (c)Yes, Sir. As against the target of 32449 tonnes of Metal in Concentrate (MIC) production, Hindustan Copper Limited (HCL) has produced 31278 tonnes of MIC during January to November, 1999 which is 96% of the set target. Hindustan Copper Limited (HCL) is facing liquidity problem due to unfavourable market conditions like severe drop in the International price (LME) of copper, competition from private copper producers who have acces to cheap imported , concentrate, poor ore grade in Khetri, Rakha and Surda mines etc. This has resulted in a situation where HCL is unable to provide for the essential plant inputs which has adversely affected the production of MIC.

(d)The Govt, have taken the following setps to improve the performance of the HCL:

(i) Conversion of Outstanding loan of Rs. 180.73 crores as on 31.3.1998 into Equity and Waiver of Outstanding interest of Rs. 167.43 crores;
